Product designer with 9 years of experience in product design, UX research, and emerging technology. I design intuitive, meticulously researched, data-driven digital products, bringing AI integration and automation into the process to reduce friction for users and teams alike.

EXPERIENCE

Digital Product Designer · WSA

Sep 2023 – Present

- Owned the strategy and optimization of WSA's digital ecosystem (website, social, newsletters), driving +169% website traffic and significant audience growth across all channels over two years.
- Designed and developed localized country pages, simplifying access to rules, profiles, and application flows while improving clarity. Within 3 months of development, 19% of users were visiting these pages. Monitored analytics of website and interviewed users to inform updates.
- Designed wireframes, user flows, and high-fidelity UI for the Summit mobile app from early discovery through component handoff to developers. Monitored analytics of Summit and interviewed users to inform updates.

Product Designer · 5Mins

Sep 2022 – Sep 2023

- Designed gamification systems and social interaction features (user flows, interaction patterns and UI components) for a learning platform that increased 7-day retention by 18%.
- Built a comprehensive design system and new brand guidelines, overseeing implementation across content, design and engineering teams.

Growth Product Designer · SwissBorg

Mar 2022 – Sep 2022

- Designed and ran 15+ A/B experiments on the SwissBorg website, iterating on UI components, interaction patterns and conversion flows based on data insights.

UI & Digital Designer · Ria Money Transfer

Sep 2020 – Mar 2022

- Designed Ria's storytelling through social media campaigns and CSR programs, including a financial literacy campaign that grew Ria's following by 200%+ (Instagram) and 70%+ (LinkedIn) in under a year.
- Designed product illustrations and micro-animations for Ria's mobile app to guide users through key flows and improve interface comprehension.

Creative Director · Service Club

Mar 2020 – Sep 2020

- Conducted UX Research on couriers. This research identified one key pain point (processing paperwork) that transformed the Service Club value proposition. It also identified key demographic trends that reshaped targeting.

Product Designer · Saturno Design

Sep 2016 – Aug 2019

- Created 13 design packages including website, email, and proposal document templates establishing visual hierarchy, information architecture, and component standards for each. Clients included K&L Gates, Barclay Damon, and Ford Harrison.
- Created the interface for the Century 21 Web App, including interactive components like the mortgage calculator and real estate agent cards.

Product Strategy, Entrepreneurship & Venture Leadership *Sep 2013 – Present*

- Co-founded NomadsRelocation, automating visa workflows for digital nomads relocating to Spain.
- Co-founded Summit, an event and community app built for WSA with no in-house dev budget, since spun out as an independent product now serving clients unrelated to WSA. 60% attendee adoption, 15% retained post-event.
- Designed and developed websites and brand identities for: colectivo.ie, gomde.eu, carolinehanssen.com, and mind-distillery.com.
