Senior UX Researcher & Product Designer with 10 years of experience researching and designing complex digital products. Experienced in qualitative and quantitative research, workflow analysis, behavioral analytics, and translating research into product strategy, interaction design, and prototypes. Increasingly focused on AI-enabled products, agentic workflows, automation, and human-in-the-loop experiences.

EXPERIENCE

Product Design Lead · WSA

Sep 2023 – Present

- Conducted user interviews and discovery cycles that informed app and website updates.
- Co-founded Summit, an event and community app built for WSA, since spun out as an independent product now serving clients unrelated to WSA. 60% attendee adoption, continues getting engagement up to two months after events.
- Designed and developed localized country pages, simplifying access to rules, profiles, and application flows. Within 3 months of development, 19% of users were visiting these pages.
- Introduced personalized regional newsletters through segmentation of a 20K-subscriber newsletter audience, boosting open rates by 38%.

Product Designer · 5Mins

Sep 2022 – Sep 2023

- Designed gamification systems and social interaction features (user flows, interaction patterns and UI components) for a learning platform that increased 7-day retention by 18%.
- Migrated (Sketch to Figma) and maintained design system, overseeing implementation across content, design and engineering teams.

Growth Product Designer · SwissBorg

6-month contract · Mar 2022 – Sep 2022

- Designed and ran 15+ A/B experiments on the SwissBorg website, iterating on UI components, interaction patterns and conversion flows based on data insights.
- Designed and ran experiments via social campaigns to identify high-converting services, contributing to 25% lower acquisition costs for prioritized offerings.

UI & Digital Designer · Ria Money Transfer

Sep 2020 – Mar 2022

- Collaborated with HR and Product Marketing to craft a new employer brand identity positioning Ria as a FinTech leader; defined KPIs monitored through LinkedIn interaction data.
- Designed Ria's storytelling through social media campaigns, including financial literacy campaign that grew Ria's following by 200%+ (IG) and 70%+ (LI) in under a year.

Creative Director · Service Club

6-month contract · Mar 2020 – Sep 2020

- Conducted UX research on couriers, identifying a key pain point (processing paperwork) that transformed Service Club value proposition, and demographic trends that reshaped targeting.
- Created courses on Service Club Academy that helped navigate Spanish work visas, helping turn the couriers' biggest blocker into the product's main acquisition channel.

Product Designer · Saturno Design

Sep 2016 – Aug 2019

- Created 13 design packages including website, email, and proposal document templates establishing visual hierarchy, information architecture, and component standards for each. Clients included K&L Gates, Barclay Damon, and FordHarrison.
- Created a marketing campaign for LensBaby, reframing their products as videography tools to enter a new and growing market.

Product Strategy, Entrepreneurship & Venture Leadership *Sep 2013 – Present*

- Conducted UX research for Hilti, analysing 4,000+ customer emails, 200 surveys and 20 in-depth interviews to trace churn among lower-income customers to cost-structure confusion rather than product quality; proposed a rent-vs-buy value calculator to address it.
- Co-founded NomadsRelocation, automating visa workflows for digital nomads relocating to Spain.
- Created an educational quiz chatbot for IE Business School's Macroeconomics course.
